What | Beth:

We are commissioning 2 permanent sculptures for the Lake Vyrnwy sculpture park, to be completed between June 2025 and March 2027. There is a budget of £5,000 per sculpture for artist fees (£189 per day), materials and community sessions. We encourage artists to think creatively about materials. Some natural materials - stone, timber and other site-sourced resources - may be available from the Lake Vyrnwy site itself at little or no cost, which could free up more of the budget for your fee or additional community work.

We are looking for artists who are committed to a collaborative, community-engaged process. Each artist will work alongside community members, sharing skills and helping participants feel genuine ownership of the work.

Each sculpture should:

- 🌍 Respond to the landscape, geology, ecology or heritage of Lake Vyrnwy and the wider Powys area
- 🌍 Be made to a high standard and built to last as a permanent outdoor artwork
- 🌍 Be co-created with community members
- 🌍 Be safe and appropriate for a public outdoor setting

In your application please include:

- 🌍 A rough concept for a sculpture and the materials or techniques you plan to use
- 🌍 How your proposal responds to the landscape, geology or heritage of Lake Vyrnwy
- 🌍 How you will involve community members in the making process
